THE POLITICS OF HAPPINESS

John de Graaf's article for *The Progressive* (Sept. 2010) entitled "Less Work, More Life" declares: "We need to come up with a different approach to work."

John de Graaf

- Executive director of *Take Back Your Time* (www.timeday.org)
- filmmaker & internationally known author of "Afluenza: The All-Consuming Epidemic"

Expect to learn about what makes individuals happy, the happiest countries in the world and why, the connection between time, happiness, and sustainability, and more.
