2. Getting Started with Manage Orders

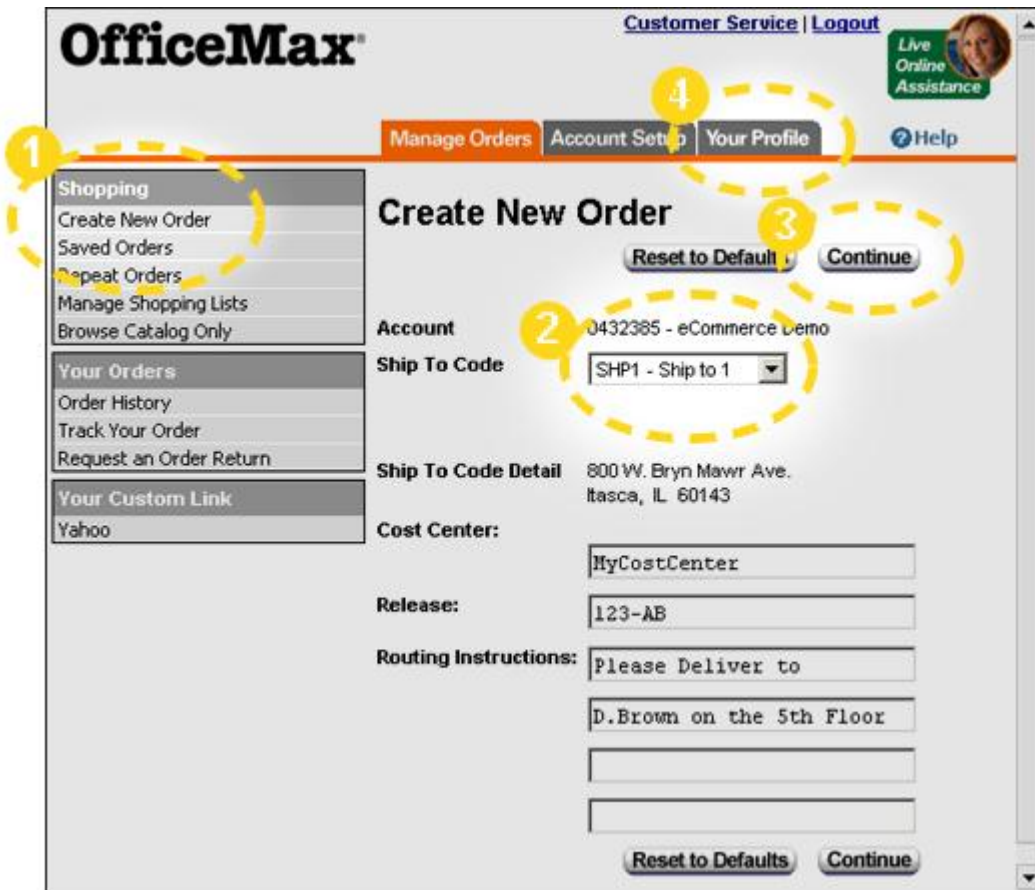

To start shopping click on: ¹ **Create New Order, Saved Orders, Repeat Orders** or **Order History** from the left navigation menu.

2.1. Creating an order using Create New Order

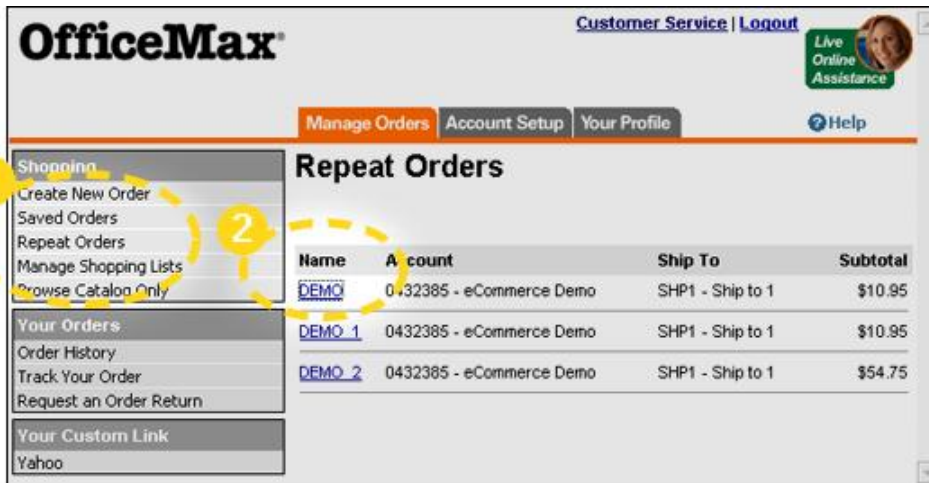

To create a new order, choose **1 Create New Order** from the left navigation menu. The **Create New Order** page will display with your account information.

- You can change your default account related information by clicking the available **2** drop-down arrows.
- Click **3 Continue**.
- Your default shopping method will display so you can begin adding items to the Shopping Cart. You may change your default settings in the **4** “**Your Profile**” area.

2.2. Creating an order using Repeat Orders

Select **1 Repeat Orders** from the left navigation menu, to shop from a template previously set up. A list of your Repeat Orders will display. Click on a specific **2 Repeat Order [name](#)** link to display the Repeat Order Detail.

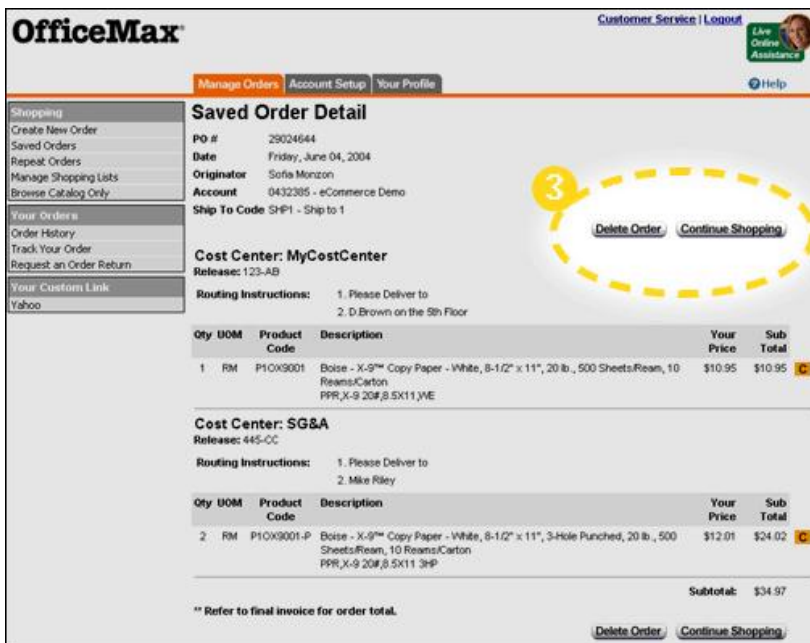

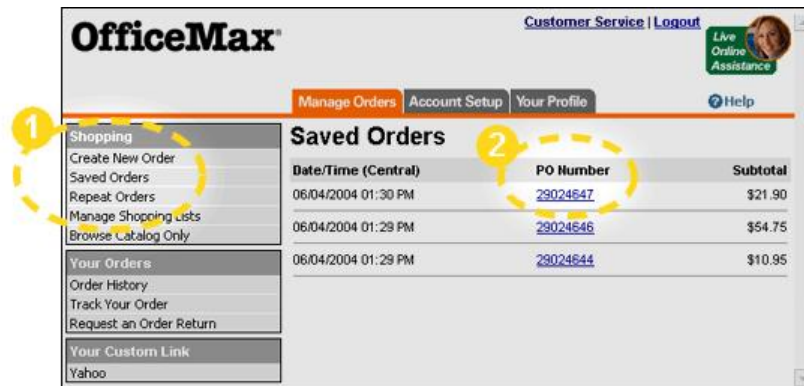

- In the **Repeat Order Detail** page click on **Create / Edit Order** and the Repeat Order will be copied and displayed in the Shopping Cart.
- To add more items to your order click on **Continue Shopping** or simply checkout. See Section 4 – Editing or Viewing the Contents of the Shopping Cart.
- To cancel and exit out of this order click on **Delete Order**.

2.3 Creating an order using Saved Orders

- Select **1** Saved Orders from the left navigation menu, to access an order you have previously saved. Click on a specific **2** [PO Number](#) link to display the Saved Order Detail.

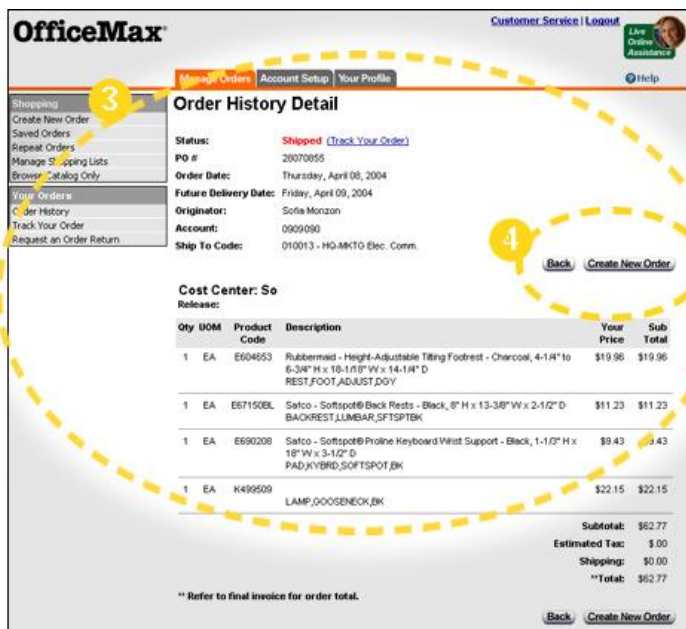

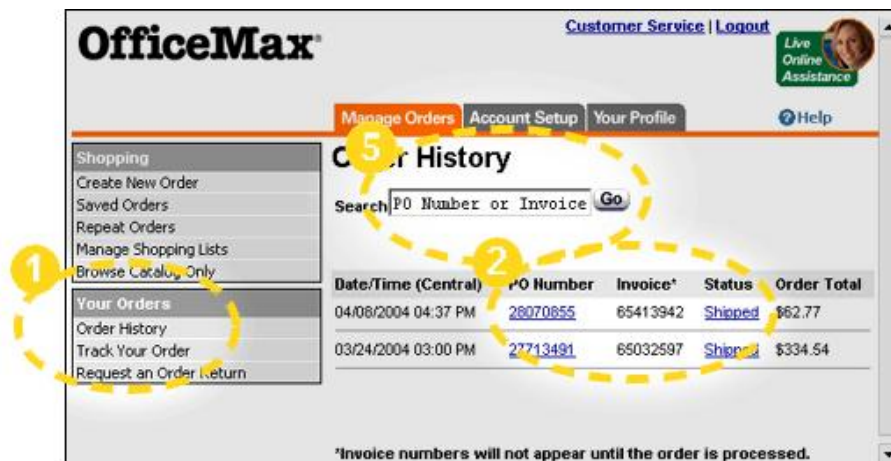

- In the Saved Order Detail page, select a shopping method or click on **3 Continue Shopping** to add or delete items in your order or simply checkout. See Section 4 – Editing or Viewing the Contents of your Shopping Cart.
- Click on **3 Delete Order** to delete your saved order

2.4 Creating an order using Order History

Select **1 Order History** or **Track Your Order** from the left navigation menu, to access a previously submitted order. Click on a specific **2 PO Number** link to display the **3 Order History Detail** page.

- In the Order History Detail page, click on **Create New Order** to create a new order from this previous order.
- Select a shopping method or click on **Continue Shopping** to add or delete items to your order or simply checkout. See Section 4 – Editing or Viewing the Contents of your Shopping Cart.
- To search for a specific order, enter the PO Number or Invoice Number in the Search box and click **Go**.

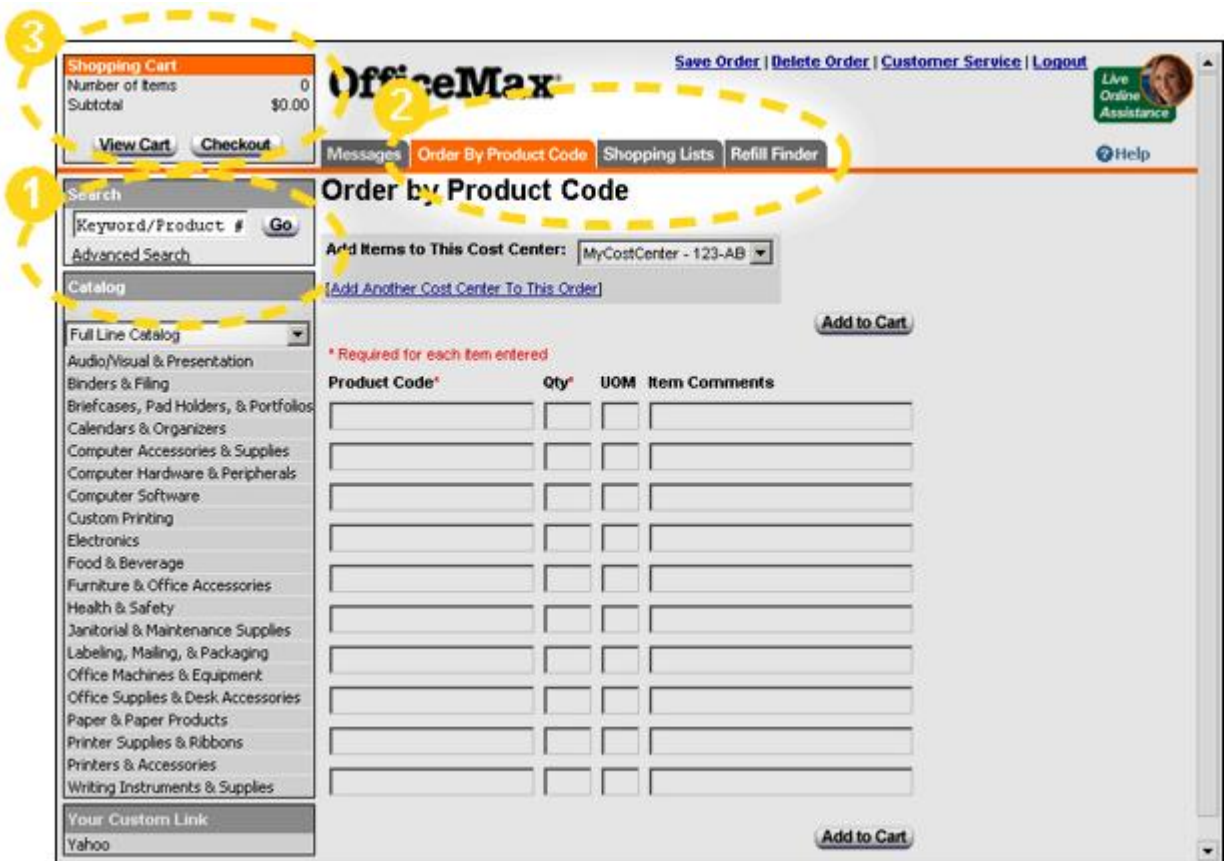

3. Using Shopping Methods

Your default shopping method along with the Shopping Cart summary totals are displayed throughout shopping. You can add items to the Shopping Cart using one of the following shopping methods:

1 Search, Advanced Search, Catalog, 2 Order by Product Code (formerly known as Blank Form), Shopping Lists, or Refill Finder.

3 Shopping Cart

- The Shopping Cart is accessible from any shopping page. The total number of line items and the order subtotal will get updated as you add or delete items to your order.
- At any time during shopping, you can view or edit the details of your order by clicking **View Cart** or clicking **Checkout** to submit your order for processing. At least one item must be in the Cart to submit an order.

3.1. Shopping using Search

To shop using Search, enter a keyword or product number in the **1** Search field located in the left navigation menu and click **Go**. The search results will help you navigate through the product hierarchy to refine the search results.

- Click on a category (e.g. **2** Binders and Accessories) from the product hierarchy that results from the search.

- Click on the next category level (e.g. **3** Data Binders – Hanging).

3.1 Shopping using Search, continued

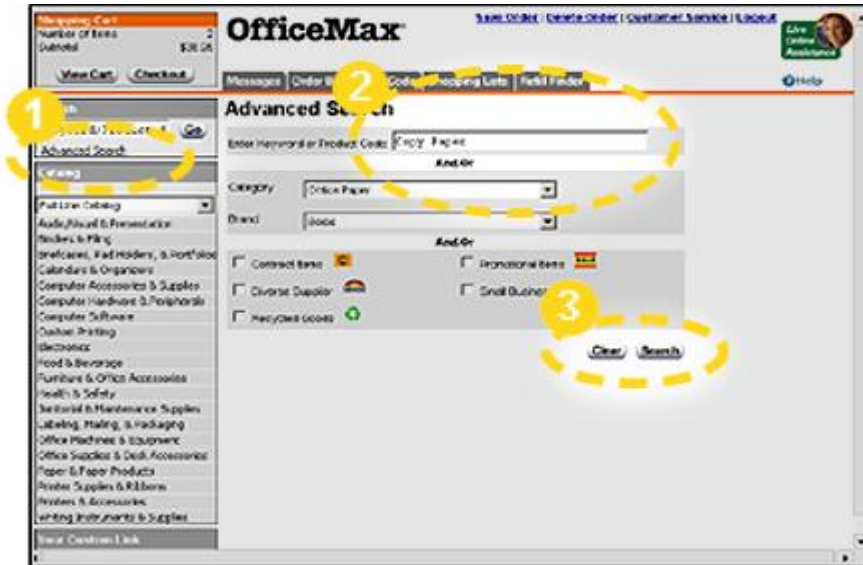

- A list of items with item availability and price will display.
- You can sort the search product results by ⁴ Best Match, Description or Product Code.
- Navigate by scrolling or using the ⁵ paging mechanism **1 2 Next** when the search results in multiple pages.
- To add an item to your order, ⁶ scroll to find the specific item you want to order, enter desired quantity into the “QTY” field and click **Add to Cart**.

The screenshot displays the OfficeMax website interface. At the top left, a shopping cart summary shows 1 item for a subtotal of \$10.95. The main content area is titled 'Search Results' for the keyword 'binders', showing 34 results. A 'Refine Results' section allows filtering by color, size, and capacity. Below this, a table lists products with columns for Product Code, UOM, Delivery, and Price. Two products are visible, both priced at \$8.85. Yellow dashed lines and numbers 4, 5, and 6 are overlaid on the image to highlight specific UI elements: 4 points to the 'Add Items to This Cart' dropdown menu, 5 points to the 'Next' button in the pagination controls, and 6 points to the 'Add to Cart' button for the first product.

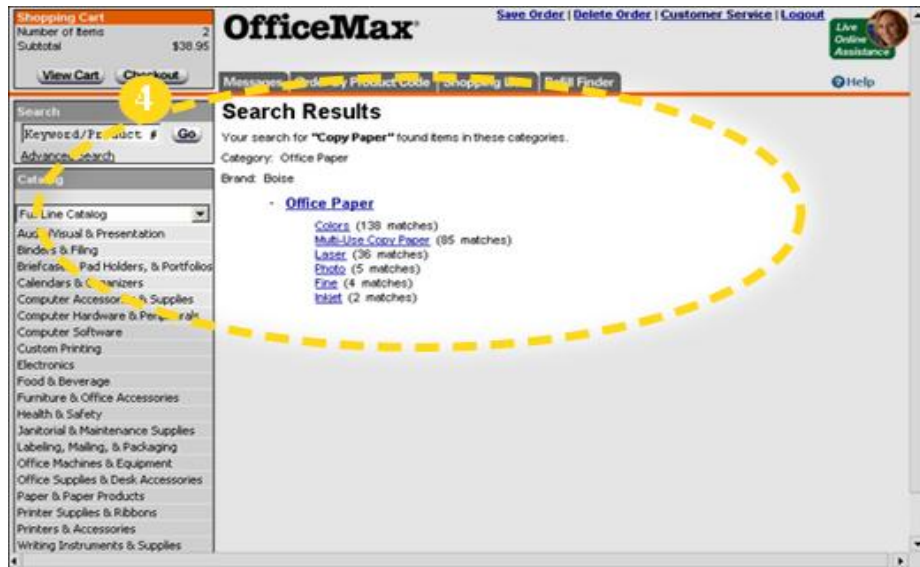

3.2 Shopping using Advanced Search

To shop using Advanced Search, click the **1** Advanced Search in the left navigation menu.

- Enter **2** Keyword or Product Code criteria (e.g. Copy Paper) and click **3** Search.
- To refine your search enter additional criteria in the Category (e.g. Office Paper), Brand (e.g. OfficeMax) or check item type (e.g. "Contract Items") and click Search.
- To clear the search criteria click Clear.

- Click one of the product hierarchy categories to drill down (e.g. **4** Multi-Use Copy Paper).
- A list of group detail items with item availability and price will display.

3.2 Shopping using Advanced Search, continued

- You can sort the search product results by **5** **Best Match, Description** or **Product Code**.
- Navigate by scrolling or use the paging mechanism **6** **1 2 Next** when search results in multiple pages.
- To add an item to your order, find the specific item you want to order, enter desired quantity into the “QTY” field and click **Add to Cart**.
- To refine the search results to Contract Items only, check the box under refine results and click **Refine Results**. You can also refine results using the available attributes for the specific product. In this example you can refine your results by **7** **Color, Weight** or **Size** using the drop-down menus.

The screenshot shows the OfficeMax website's search results page for "Copy Paper". The page includes a shopping cart summary, navigation links, and a search bar. The search results are filtered to "Office Paper" and "Boise". A "Refine Results" section allows filtering by Color, Size, and Weight. A "Show Only Contract Items" checkbox is present. The "Sort By" options are Best Match, Description, and Product Code. The "Add Items to This Cost Center" dropdown is set to "SOLA - 245-AC". The "Items 1-25 of 28" section shows a table of results with columns for Product Code, UOM, Delivery, Your Price, and Compare. The first item is "Boise - Aspen® Recycled Copy Paper - White, 11" x 17", 20 lb., 500 Sheets/Ream". The "QTY" field is set to 1, and the "Add to Cart" button is visible. Annotations 5, 6, and 7 highlight the sorting options, paging mechanism, and refinement filters, respectively.

Product Code	UOM	Delivery*	Your Price	Compare
P1054807	RM	Next Day	\$20.95	<input type="checkbox"/>

3.3 Shopping using Catalog Drilldown

To shop using Catalog drilldown, click the ¹ drop-down menu in the left navigation. You can select a catalog or use the “Full Line Catalog” system default. You will navigate through a product hierarchy to refine your drilldown.

- Click on the first level category (e.g. ² Paper & Paper Products) under the Catalog.
- Click on one of the next category results (e.g., ³ Office Paper).

3.3 Shopping using Catalog Drilldown, continued

- Click on the next category (e.g.  Inkjet). This will return a grouped item list page showing item availability and price.

3.3 Shopping using Catalog Drilldown, continued

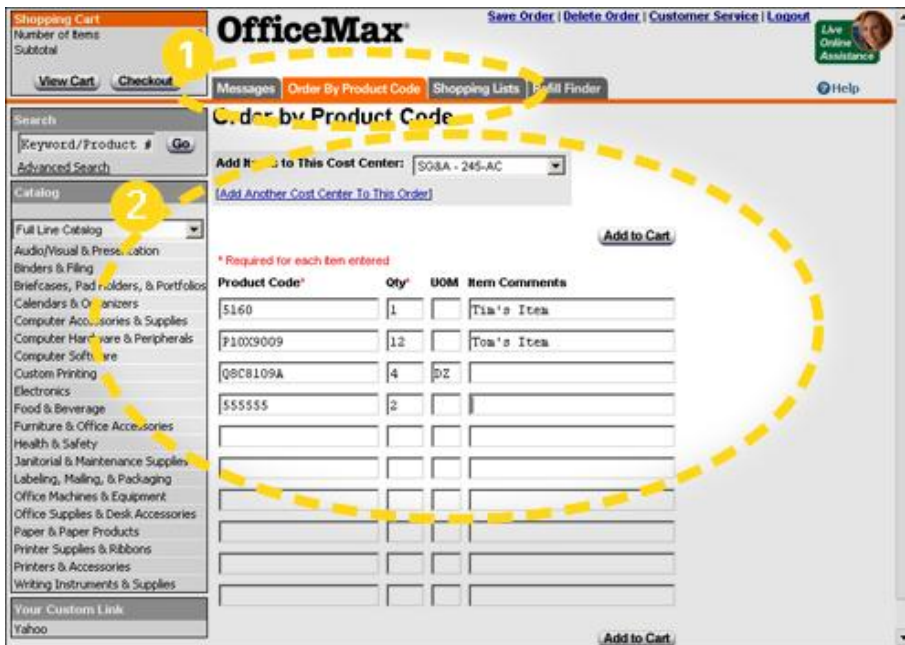

- Click on the product ⁵ Description to view detailed item information.
- To add items to your order, find the specific item you want to order, enter the quantity desired into the “QTY” field and click **Add to Cart**.
- The category path you selected will display under the navigation tabs. You can click on one of the links to go back to a category page previously viewed (e.g. ⁶ Office Paper).

3.4 Shopping using Order by Product Code Method

To shop using Order by Product Code, click on the **1** **Order by Product Code** tab on the top navigation bar.

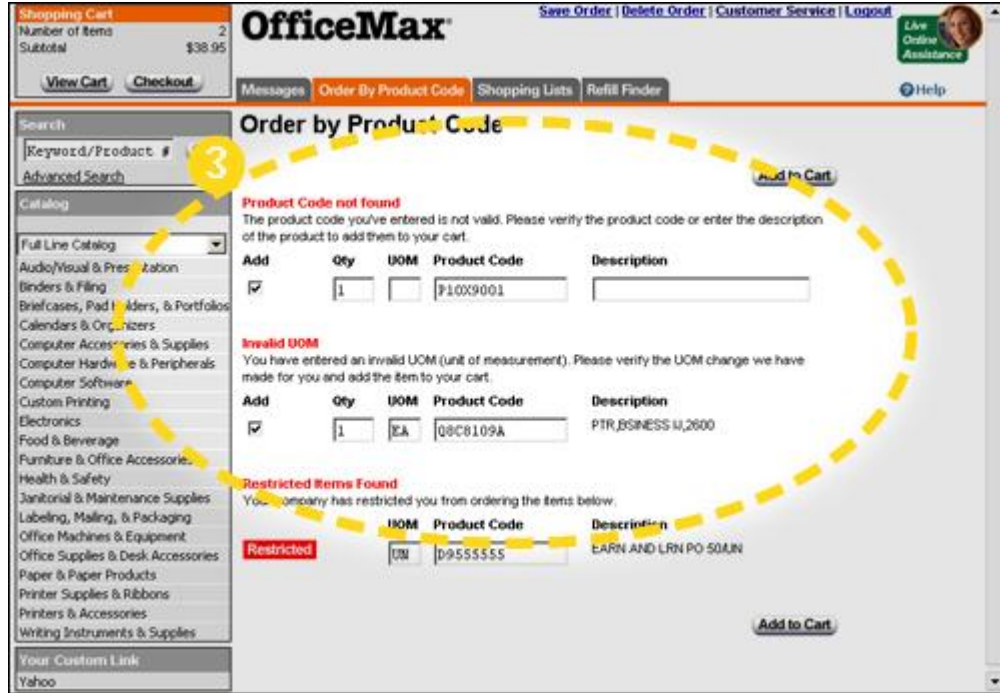

- Enter the **2** Product Code and Quantity into the order form.
- Entering unit of measure (UOM) and item comments is optional. The comments are printed in the packing slip, acknowledgments and invoice.
- Click **Add to Cart** to add items to your order.

Working with exceptions obtained when using Order by Product Code Shopping Method

If the unit of measure or product code is invalid, the page displayed ³ will help you navigate through the correction.

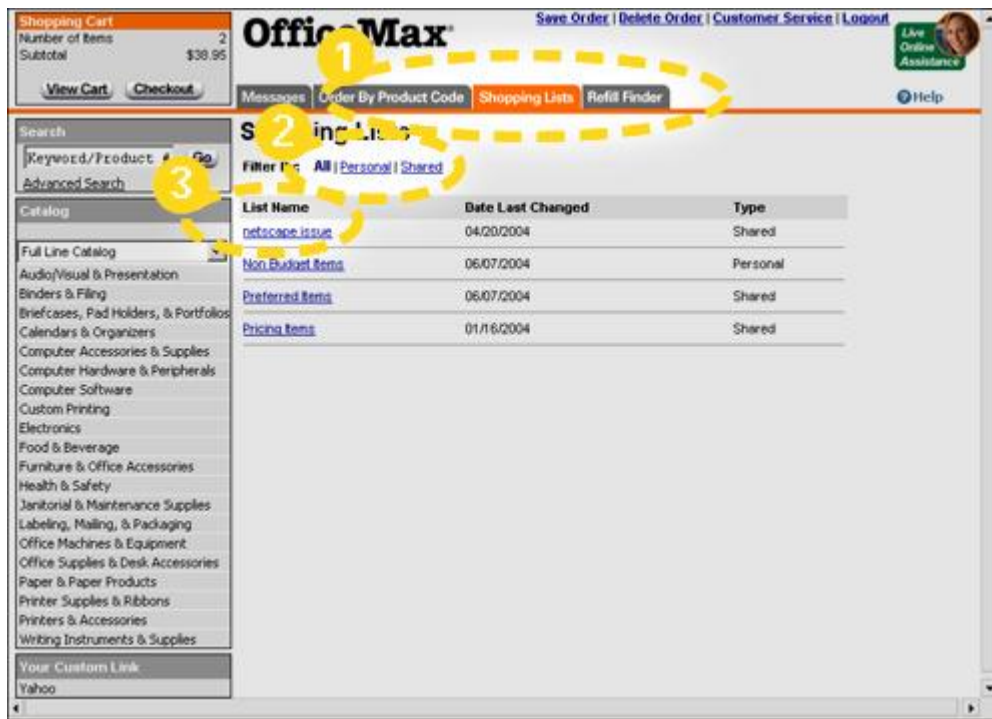

- Make your correction in the provided fields, put a check mark in the **Add** box if not already checked and click **Add to Cart** to add items to your order.
- Verify the unit of measure to ensure your desired quantity is correct.

3.5 Shopping using Shopping Lists

To shop using Shopping Lists, click on the **1 Shopping Lists** tab on the top navigation bar. When you choose this shopping method, all available shopping lists will display. Scroll to view all lists available.

- You can limit the shopping lists displayed by clicking on the **2 personal** or **shared** link in the “Filter By” section.
- To select a shopping list, click the **3 List Name** link.

3.5 Shopping using Shopping Lists, continued

Your selected **1** Shopping List items will display. Each page can display up to 100 items.

- To add items to your order, enter quantity desired into the “QTY” field for a specific item in the list and click **Add to Cart**.
- The Shopping Cart summary will be updated with the number of items and the subtotal amount.

3.6 Shopping using Refill Finder

To shop using Refill Finder, click on the **1 Refill Finder** tab on the top navigation bar. You will navigate through a product hierarchy.

- Click the drop-down menus to select a **2** Product Type, a Brand, and a Model Type to get a list of appropriate refill items.

- **3** The category path you selected will display under the navigation tabs. You can click on one of the path links (e.g. Canon) to go back to the refill finder selection page.
- To add items to your order, enter the quantity desired into the **4** "QTY" field next to the item you want to order and click **Add to Cart**.

4 Editing or Viewing the Contents of the Shopping Cart

The Shopping Cart contains all items added to your order. When applicable, the items are segregated by cost center. At the top of the Shopping Cart you will see your account number, ship to code and Shopping Cart (Order) subtotal.

- **Update Cart** – You can make the following updates to your cart:
 1. To **[Add/Edit]** an item comment click on **Item Comments**. You will be directed to a page to enter the comments for a specific product code item. Once you save the comments, the icon **[Add/Edit]** will display under the specific item product code. The comments are printed in the packing slip, acknowledgments and invoice.
 2. Change **Quantities** for items – Type in the new quantity and click **Update Cart** to save update.
 3. Delete items off your order – Check the **“Remove”** box next to each item you want to remove and click **Update Cart** to update the Shopping Cart and the cart subtotal.
 4. Edit Cost Center – Click on **Edit** to change Cost Center Information.
 5. Delete Cost Center – Click on **Delete** to delete a Cost Center from your order. Delete is available only when your order contains more than one Cost Center. Deleting a Cost Center from your Shopping Cart will delete all of the items that were added under that deleted Cost Center.
- **Continue Shopping** – Click **Continue Shopping** to return to the last shopping method you used.
- **Checkout** – Click **Checkout** to proceed to checkout and submit your order.

The screenshot shows the OfficeMax Shopping Cart interface. The cart contains two cost centers: MyC (Release: 123-AB) and SG&A (Release: 245-AC). The MyC cost center has one item: Boise - X-9™ Copy Paper - White, 8-1/2" x 11", 20 lb., 500 Sheets/Ream, 10 Reams/Case, PPR, X-9, 20lb, 8.5x11, VME. The SG&A cost center has one item: Boise - 24# Cotton Inkjet Paper - White, 8-1/2" x 11"-24", 500 Sheets/Ream, PPR, NEW, JT, COTTON, 500#RM. The cart subtotal is \$38.95. The interface includes a search bar, a catalog sidebar, and buttons for 'Continue Shopping', 'Update Cart', and 'Checkout'. Numbered callouts (1-5) highlight the 'Add/Edit' comment icon, the 'Update Cart' button, the 'Remove' checkbox, the 'Edit/Delete' cost center options, and the 'Continue Shopping' button.

5 Viewing Item Description Detail

- Click on the Product  [Description](#) link to view detailed item information.
- Delivery stock is based on the actual quantities that are in the “Qty” field. Position your mouse over the icon to get an explanation of stock availability.

- Until a “Qty” is entered and the item is added to the Shopping Cart, the inventory stock check for Delivery is based on a quantity of 1 (one). See legend below describing each of the delivery terms.
- Click on the item comments icon , under the product code to view or edit an item comment (if an item comment has been entered for that item).
- Position your mouse over each of the product description icons    to view their description, or click on them to view a legend of all the website icons.
- The [Modify](#) link with a  icon will display only when you add a customizable imprint item product code (e.g. business cards) to your cart.
