

1. What items are accepted at the Recycling Substation?

Cardboard
Clear glass (bottles and jars)
Newsprint/Magazines
Office paper
Plastic #1-7
Tin Cans

2. Where do I deposit magazines?

Magazines can be deposited in the newsprint bins

3. Can window glass be recycled?

No, window glass cannot be processed for recycling. Therefore, it needs to go in the regular garbage.

4. Is colored glass accepted?

No, only clear glass and bottles are accepted.

5. Is Styrofoam recyclable?

No, there is currently no market in this area for recycling Styrofoam. Please separate Styrofoam and dispose of it in the regular garbage.

6. Do labels need to be removed from tin cans?

Cans should be cleaned and labels removed. They do not need to be crushed.

7. Can any color of office paper be recycled?

Yes, all colors of office paper including envelopes can be recycled together. Cellophane windows must be removed from envelopes.
